PRESIDENT'S REPORT

President's AGM Report

Mark Clemow, Past President, Nairne & District Residents' Association

The following report was tabled at the Annual General Meeting of the Nairne & District Residents' Association Incorporated on Wednesday August 15th 2018. It is reproduced here in full.

It was a honour to have been re-elected President of the Nairne & District Residents' Association (NDRA) at the start of this year and to have had the opportunity to continue our great work.

During the year I received feedback from various third parties in state government and local government leadership that the NDRA was one of the most effective and well conducted residents' associations in the state. This is a great compliment to our agenda, the way in which we interact with our stakeholders and to the members who make things happen. Like all volunteer community organisations, we have struggled to get the numbers we need to fully realise our opportunities, but we have certainly punched above our weight with what we could do. I would therefore like to open this report by thanking the people who worked with us, attended our events and engaged with our agenda.

Nairne is a terrific community, with lots of potential ahead of us. We need a strong, unified and realistic agenda driven by an NDRA which is respected and supported across the community and stakeholders. Without this, our cultural, social and economic progress will be uncoordinated and the people of Nairne will miss the benefit of a community-wide commitment to common goals.

The past year saw the start of many long awaiting projects and improvements for Nairne.

Main Street redevelopment

The first stages of the Main Street redevelopment started in March and were completed several months later. This saw the replacement of trees and the improvement of footpaths and drainage along the northern side. The beautification of

this section will evolve with plantings and street furniture to be installed. Subsequent stages of redevelopment will occur over the next three years, involving other sections of the Main Street and culminating in the establishment of a Village Green in the area bordered by the Main Street, Jeffrey Street and Allargue Street.

The NDRA has been deeply involved in this redevelopment, running information sessions for the community and communicating updates via our meetings and various channels.

NDRA meetings have been varied and interesting

Our monthly meetings have seen a steady attendance. The bi-monthly Councillors' forum has proven a popular opportunity for community members to learn about the work of Council and to ask specific questions about Nairne. We are fortunate to have four North Ward Councillors who take these forums seriously with their attendance and preparation.

We have also focused on interesting and relevant topics and guest speakers, including the Premium Beverages complex (on Chambers Road), the Millers Arms Hotel, the Member for Kavel and the Nairne RSL.

Community forums

The NDRA has a role in connecting the community with information about stakeholders and government.

In March, prior to the state election, we conducted a community forum for people to meet and hear presentations from the seven candidates contesting the seat of Kavel. We had about 80 people attend that forum. At the first meeting of the NDRA immediately following the election, the newly elected Member was our guest speaker.

In July, prior to the Mayo by election, we conducted a similar community forum with four of the seven candidates. We had about 130 people attend and it was broadcast live on Hills Radio. The forum and role of the NDRA was reported in national news for a period afterwards.

Continued on page 4

Continued from page 3

With the forthcoming local government elections, the NDRA will be conducting a forum with candidates for the North Ward of Mount Barker District Council.

Nairne News does our community proud

Nairne News continues to serve an essential role in providing information and resources to the community, especially to the large number of people who do not interact with social media. The Nairne News editorial team have refined the many improvements to the quality and presentation that they introduced last year.

I am very proud of how Nairne News represents the NDRA and the brand of Nairne. I would like to thank and acknowledge Kerri Oakley, Ruth Morris, Ariel Elliott-Potter, Tianna Easter, Margaret Vincent, Meredith Laube and Barry Laube for their work in publishing and distributing Nairne News. I would also like to thank the businesses of Nairne for giving prominent space in their premises to sell the publication and for supporting the community with their advertising.

NDRA Facebook provides safe and accurate information

Our NDRA Facebook page surpassed 1,000 followers in July, an increase from 675 a year ago and from 150 in the year prior.

There has been a serious commitment to providing regular posts of accurate and relevant information consistent with our agenda. The engagement with the page and the feedback has indicated the community want and appreciate information in social media without negativity and clutter. They also appreciate receiving accurate and informed responses to their questions and comments.

There were plans to improve the Nairne website, but we lacked the resources to do it. We have kept it up to date, however an overhaul of the presentation is a priority for the coming year.

Tourism focus

This year we established a working group to look at how we support and promote tourism in Nairne and district. I would like to thank the members of this small group, which is led by our Vice President Leif Brown. Tourism promotion is a key focus for Nairne, especially with integrating the various

developments ahead of us, with our history and culture. The role of this group is to develop and implement a tourism plan and vision for Nairne that will establish our identity as a tourism destination. The key to making this work is to get engagement from all stakeholders and a greater number of people willing to be a part of the group.

In April we were excited to be named by The Weekend Australian as South Australia's best regional community. This created a lot of discussion in local and national media and stimulated interest in the town as a tourism destination and a place of significant economic and social opportunity.

Three great events supported by the NDRA and enjoyed by the community

The NDRA sponsored three events during the year.

The Nairne Carols by the Lake on Saturday December 9th 2017 was enjoyed by about 400 people on the lawns of Byethorne Park. This year we focused on a traditional Christmas concert, with local artists and the feedback was very positive. I would like to acknowledge the work of the volunteers of the organising committee, but in particular the leader Ellen Lyall, who threw herself into the event with energy and passion. I would also like to thank the Nairne Market, the District Council of Mount Barker and Thomas Foods International for their generous financial support for what is an increasingly expensive event to stage.

We have been told by many people that the Nairne Carols by the Lake is the best organised and most enjoyable community carols event in the Adelaide Hills. It is a great honour for the NDRA to bring happiness and unity to the community at Christmas.

In April we participated in the South Australian History Festival by opening the historic buildings of our Main Street to visitors and running guided walking tours. This event was successful beyond our expectations, proving the growing interest in the historic significance and beauty of the town. There is no question this will become an annual event and we also believe there is value in offering regular walking tours throughout the warmer months. I would like to thank Annette Gladigau and the large volunteer group of local historians who organised the event, staffed the museum, created displays and led the walking tours. It was brilliant to see so many volunteer people and organisations working together

and the Main Street full of people walking and enjoying our history.

In July we ran our annual Family Film Night in the Soldiers Memorial Hall. The weather was very poor, which detracted a few people from coming out of their homes, but we still managed a good crowd of around 80, who enjoyed the socialising and the show. I would like to thank Annette Gladigau, who brings this event together almost single-handedly every year, as well as the District Council of Mount Barker who fund the night.

Major commercial improvements for Nairne

The past year saw the commencement of three major commercial development projects for Nairne that will stimulate our economy, improve local services and provide jobs.

After a long wait, the redevelopment of the Old Chapmans factory into a supermarket was approved in June and demolition began in July. We are told by the developers that the shopping centre, which has five smaller stores in addition to the supermarket, will be open for Christmas shopping in 2019. This development is perhaps the biggest thing to happen in Nairne (economically) since the Chapmans factory opened in 1899. The NDRA believes that this development will stimulate a revival of the Main Street. With a raised profile and more traffic passes through, viable opportunities for service, recreational and food businesses will increase.

The redevelopment of the Millers Arms Hotel will add further stimulus to the Main Street when it opens prior to December this year and the premium beverages complex on Chambers Road will make Nairne tourism and visitor destination. When coupled with the various redevelopments in the Main Street, this is another positive thing for the town.

New community projects for Nairne

The NDRA is currently sponsoring two community improvement projects for Nairne. The first, which has been underway for some time, is using a small grant from the Mount Barker District Council to add some interest to the Main Street. We put the project on hold pending the redevelopment of the Main Street and recommenced it in July, with a survey among traders and residents to gauge support for two ideas. At the time of writing this report, we are preparing a further proposal for Council that we hope will be realised in the Spring and Summer.

Our next major project is to work with Council on the establishment of a Village Green, bordered by the Main Street, Jeffrey Street and Allargue Street. Exactly how this space looks will be determined by community consultation, but it could incorporate gardens, playgrounds, performance spaces, art, toilets, recreation and barbecues. The plan is to establish it by the end of 2021, subject to the availability of funds from local and state sources. The NDRA sees this as an exciting culmination of the overall redevelopment of the Main Street precinct and we look forward to engaging the whole community in building how it will look.

The NDRA is a collective of passionate volunteers who care about Nairne

Much of the work of the NDRA happens in the background. We receive a constant stream of queries and information via telephone, post, email and Facebook that are efficiently dealt with. In some ways, being a co-ordinator and facilitator between residents and stakeholders, is one of the most important functions of the NDRA. The engine room of the NDRA is our Secretary Annette Gladigau. Annette is a skilled Secretary, but what makes her work so valuable is her passion for Nairne and the work of the NDRA. I cannot overstate what a pillar of support and hard work Annette has been. I would also like to acknowledge and thank Kerri Oakley who held the role of Treasurer. Astute and efficient financial management is very important to a community organisation and Kerri never failed to give good advice, report accurately and ensure that all our financial obligations were met. In addition to this role, she led the Nairne News team.

Many people with the NDRA membership have stepped up to take on various tasks and to support our efforts throughout the year. I have only specifically mentioned the Secretary and Treasurer because of their key roles, but everyone who has contributed has been appreciated. Volunteering to make a difference to people, is the foundation of a great community and I thank every person who has volunteered for the NDRA and has taken on various large and small tasks.

In December I took leave from the role of President through to the February meeting. I would like to thank Vice President Leif Brown and the NDRA Executive for supporting me and effectively operating the association during this time.

Continued on page 6

Continued from page 5

Looking forward to the next year

Nairne is no different to any community, where the pool of available volunteers is small, but the agenda is large. We value every person and group who can help us achieve our goal of furthering the social, cultural and economic prosperity of Nairne, no matter how big or small their contribution.

Volunteers are at the heart of a good community, so it saddens me when volunteers are criticised or undermined for their honest efforts to make a difference. We hear reports all the time of dwindling volunteer numbers in all kinds of organisations and it seems one of the reasons is the politics that stymie their passion.

Unfortunately the rise of social media has stimulated a culture of negativity in communities, where people are more inclined to criticise and make suggestions about how things should be done differently, than they are to step up and make a real difference. In recent months we have seen some terrible examples of the potential of social media to be vicious and hurtful, so we must not let that happen in Nairne.

We should not forget that at the heart of every community activity are volunteers giving and doing the best they can.

Our biggest challenge in the coming year remains unity, both within the community and the NDRA. The whole community must work together to understand, support and complement the goals of the various organisations that give us the lifestyle, culture and facilities that we value.

There are many great organisations doing terrific work with their own agendas, but if we are to make Nairne a successful community, all agendas need to be aligned and all people united. This need for unity starts with the membership of the NDRA. Working together with respect, collaboration and humility will make our town great.

The broad objectives of the NDRA mean that we have a responsibility as the bastion of unity and leadership for Nairne, so how we conduct and present our association is an important example to others.

I would like to congratulate and wish well the leadership and office holders of the NDRA in the coming year and thank the members and the community for working with me to make this past year a successful one. I will not be seeking reelection as President for 2018/19.

New President of the NDRA

At the 2018 Annual General Meeting I have been honoured to be elected at President of the NDRA for 2018/2019. I would like to thank the outgoing President Mark Clemow for his dedication to the role of President over the past two years.

Stephen Lucas - President, Nairne & District Residents' Association

I reside in Kanmantoo with my wife Clorinda and my youngest son Darcy. My eldest son resides in Brunkunga. Following a thirty year career in the public transport industry in Adelaide, I became a full time carer for my wife following two workplace assaults in 2015. Since leaving full-time employment I obtained a Diploma in Counselling which taught me a lot about myself and others, especially those doing it tough. I currently work part-time driving one of the Education Department school buses for Oakbank Area School.

I enjoy being involved with my local community and strive to always make things better and over the past 18 months have been advocating for improved bus services in the Nairne to Kanmantoo region. Public transport is something I am very passionate about and I intend to keep up the fight for improved services.

I think of our community a bit like a garden, it is never finished. It is always changing and evolving, this is why I love being involved in community projects. We may not always get things 100% nor satisfy all of the community, that is impossible. Nevertheless, it is an enjoyable fact that our community can and should always be prepared for change, whether on a large scale or small.

I plan to engage more with the residents in the districts surrounding Nairne from Dawesley, Brunkunga, Native Valley and Kanmantoo as they are vitally important to success of the NDRA. There are many exciting developments happening in the district at present and there are equally as many developments ahead in the coming months and years. I look forward to watching these developments enhance our community even further.

I look forward to engaging with many of you over the coming 12 months.

Councillors Farewell

I would like to firstly say thank you for the support of the community during my term in Council. It has been a challenging and busy three years for Nairne. While some people have not been happy with certain outcomes, it is always encouraging to receive phone calls of thanks and gratitude, which makes it all worthwhile. I have a great respect for the Council staff and their passion and dedication to the Mount Barker District, and have come away with an understanding and appreciation of how Council is run. I thank all the staff as well my fellow Councillors for their help, support and guidance.

Cr Debs Buchmann
dbuchmann@
mountbarker.sa.gov.au

Due to a change in family circumstances I will not be running in the next Council Election, but plan to remain active in the community, working on a couple of projects in the pipeline.

I would like to congratulate those nominating candidates for stepping forward into the firing line. Although elected members receive an allowance, that does not cover the amount of time and effort put into the role, and I hope that whoever is successful gets the full support from the community, that this primarily volunteer role deserves.

Over the past three years I have worked collaboratively with fellow Councillors, council staff, NDRA and residents to achieve some fantastic outcomes for Nairne, including the following.

Nairne DPA

The rezoning of the DPA not only retained and protected the green buffer in Nairne West and the mixed used along the railway line, but also enabled the application to be submitted to redevelop Chapmans.

Nairne Market/Police Cells Restoration Project

After discovering the works had been removed from the draft budget, I worked with the Nairne Market and Greg Parker, General Manager at Council to ensure it received the funding required for the restoration. This was vital for the Nairne Market's future and the health and safety of the volunteers.

Pedestrian and cycle linkage from Byethorne Park to Main Road

Since January 2016 I have been advocating for a pedestrian and cycle linkage from Byethorne Park to Nairne Main Street. I am pleased that funds have been allocated in this year's budget for that purpose. This was helped by the Main Street upgrade as well as Katrina Windebank and Lynette Sharps successful Fund My Neighbourhood Grants.

- Nairne Sculpture Trail
- Nixon Street Ford rebuild
- Nairne Memorial Hall upgrades
- Nairne Cenotaph Screen (to be installed this year)

Nairne Main Street Upgrade

Other matters such as improvements and upgrades to our roads, sporting facilities and residents concerns and queries.

I have also had the privilege on being on the Grants Committee which provides funds to many groups throughout our district, and recently the Cat Management Working Group.

Looking towards the future I have advised Council the priorities I feel we need are:

- Effective communication between Council, Councillors and residents on all matters.
- Youth facility/arts hub - to provide a youth space similar to the model of 'The Station' at Murray Bridge, which incorporates youth centre, Headspace, The Band Connection.
- The transition of the Nairne Memorial Hall into a more utilised space, such as a Community Centre.
- Linking the surrounding townships to Mount Barker via a cycle and pedestrian track.

A special thanks to the Nairne and Districts Residents Association, especially the President Mark Clemow and Secretary Annette Gladigau. Their dedication to the community and their support to me has been unconditional.

Nairne is continuing to grow with both residential and commercial development. A positive and supportive community that works together will thrive.

SUPPORT LOCAL, SHOP LOCAL, BE LOCAL.

Lions Club of Nairne & Districts Inc.

Greetings from the President and Committee of the Nairne Lions Club

by Les Walker

Following our report last issue about our local sports celebrities, good news came from young Amy Howard, who was selected as the SA Female Athlete of the Year 2018 Award – Special Olympics held in Adelaide in April.

We are pleased to advise that we have now sponsored another local junior in the SAPSASA Primary School U12 Boys Rugby League Team. Campbell Paech from Nairne Primary School has been selected to represent South Australia. We wish Campbell all the best.

We have been busy raising money by collecting and splitting firewood, and have a small stock on hand for sale. We are trying to keep it as dry as possible, but Mother Nature keeps on interfering.

You may have noticed on Facebook that we now own a wood splitter and can be contracted to split your fallen trees.

On the subject of firewood, I am pleased to advise that recently we lived up to our motto of "WE SERVE" proudly. A Nairne resident alerted us to a pensioner lady who had a wood stove, but no finances to run it. Our President Simon Iveson personally visited the pensioner and delivered a donated trailer load of wood the next day. We will follow up the situation in a few weeks' time. The informer wished to remain anonymous and offered a donation. Thank you.

We conducted a BBQ on Election Day at the Nairne Primary School Polling Booth. On offer were bacon and egg sandwiches, and a traditional sausage sizzle. The voters and Party volunteers were grateful for the hot food on a miserable day.

The Lions theme for the above was dedicated to raising funds for the Australian Lions Childhood Cancer Research Foundation. Over \$400.00 was raised.

I would like to inform you of a very important initiative sponsored by Breast Screen SA, who have asked us to promote their Mobile Screening Unit visit to Mt Barker from late July to mid-December 2018.

The unit will be located in the car park Summit Health Centre, 85 Wellington Road, Mt Barker.

You will need to ring 13 20 50 to make an appointment or find out more.

I have been asked to inform you that we will hold another Car Boot Sale in October. Keep an eye open for advertising through the local traders and Facebook. If you wish to book a site call me on 0418 817438.

Our annual Christmas Stocking drive has started, and we are looking for donations to fill our stocking and hamper, to be drawn at Nairne Christmas Carols in December. If you can contribute any items or funds it would be much appreciated.

INTEREST FREE LOANS

Low income residents of the Adelaide Hills area and surrounding districts are eligible to apply for an interest free loan up to **\$1500**

NAIRNE MARKET NEWS

by Althea Miegel

Sitting at my computer, on this windy, wet and very cold day, I am echoing others thoughts that "we have had enough rain and wind for a while!"

Then, I sadly think of the farming communities who are suffering so cruelly with drought conditions in their areas, and wonder at the injustice of our country.

But for the moment there is always a warm welcome at the Nairne Market – not the temperature, but the welcoming smiles of our lovely band of volunteers! Sadly our building is not warm – and that is beyond the management's power!

Sales have continued to do very well – and donations continue to flood in and for that we are grateful. Please remember to donate clean good quality items to save the Market from further dumping bills.

At present, the Ladies' stock is all at half price, as is the Bric a Brac. If you are looking for some real bargains, please drop in to see us.

A reminder also that in Pete's Shed out back, there are more bargains – CDs, DVDs, records and PC games are going out for just \$1 each. Sets and doubles of the CDs and DVDs are half price!

In time there will be other sales coming so keep an eye on our Facebook page for further announcements. The board outside the shop will keep you up with what is happening.

NCKC will teach Christian life principles and is brought to you by the churches of Nairne.

ST. JAMES BLAKISTON NEWSLETTER

by Ronda Jaensch

July 25th is the Patronal Festival of St James Church, that is the day we celebrate our patron St James.

He is known as the Patron of Pilgrims and Labourers and was named by Jesus as one of the Sons of Thunder. St John was his brother and they were the sons of Zebedee. They were followers of John the Baptist and then Jesus of Nazareth and they worked as fishermen. James the Greater was chosen by Jesus to be one of the twelve apostles and to spread the gospel.

He made a pilgrimage to Spain to spread the gospel of Jesus. He then returned to Judea, where he was beheaded by King Herod Agrippa in the Year 44. He is said to be buried in Santiago de Compostela in Spain, which explains why he is the Patron Saint of Spain.

Today there are many pilgrims who take one of the various walks along the Camino de Santiago.

The question still remains for us: why was St James chosen as our Patron Saint? Our early settlers were certainly pilgrims and labourers.

However, they were faithful people and despite many difficulties had built a Rectory, the house alongside the church which was the Rector's residence, the church which was dedicated in 1847 and established a cemetery in the church grounds.

It is quite a large and historic cemetery which requires much upkeep as many of the graves are over one hundred years old and no longer have loved ones who visit or maintain these plots. Over the years the congregation has kept the grounds as neat as possible with working bees, etc.

At present we have two men, Allan and Wayne Reddy, who have significant ties with St James, who work away at their own cost both timewise and financially to help with the burden of maintaining this cemetery. The wardens, curator and congregation of this church are deeply appreciative of their dedication and we have people who have commented on the neatness of the area.

It assists those who are constantly aware of the need to maintain our church for future generations.

Mothers, we know how hard you work, and we deeply value what you do to make our community what it is, so please accept this invitation to a free evening of relaxation and thanks!

Meals on Wheels

By Meredith Laube

Try Our Meals

We've delivered 50 million and counting, since 1954!

More than just a meal, delivered with a friendly smile! When we say more than just a meal, we really do mean it. Our modest meal charge includes a nourishing three course meal, any week day, delivered to the door by friendly volunteers, in Nairne too with a choice of main course in many areas. Frozen meal options are available.

Plus, at no extra fee or charge, you will receive:

- A friendly smile and vital social contact each delivery occasion.
- A check that our customers are safe & well.
- A process of follow up support and communication, should it be needed.
- Assistance for our customers to remain connected with their community, independent in their own space & place.
- And of course peace of mind all round.

CALL now 1800 854 453, **free call** and we'll be happy to talk with you.

VOLUNTEERING

• Kitchen Helpers

Kitchen helpers assist with meal preparation, tidying and even washing up! Usually between 9:30am and 11.30 am each weekday.

• Drivers

Drivers use their own cars to deliver meals to clients between 11.15 am to 1.30 pm each weekday. The distance involved is generally less than 15km and a driver reimbursement is available. Between 15 and 25 meals are delivered in each delivery round. Drivers need to have evidence of their own comprehensive insurance.

• Deliverers

For safety and security reasons, both the deliverer and the driver deliver the meal to the client. So each driver works with a deliverer, to deliver meals into the homes of clients between 11.15am and 1.30pm.

• Emergency Drivers and Deliverers

Time an issue? You can also volunteer as an emergency driver or deliverer. Rather than being on a regular roster, you'll simply be called on to fill in when a kitchen helper or regular driver or deliverer can't make it.

• Branch Administrative Roles

Branch Officers and Committee members assist in the running each of the Meals on Wheels branches. These are equally fulfilling and rewarding roles. Positions such as; Chair, Kitchen Coordinator, Volunteer Coordinator, Client Service Coordinator, Secretary, Treasurer, Office Support and IT roles, are all filled by volunteers.

Now that you have a better idea about volunteering for Meals on Wheels, you can find out more by making a freecall to 1800 854 453 and ask for the volunteering team, or call the Volunteer Coordinator at Meals On Wheels Mt Barker Branch. Office: 8398 3525 Mob: 0427 384 651 www.mealsonwheelssa.org.au

Flee the Flea

If you're like most of us here (except Mel because she loves the cold and is weird like that) you will be looking forward to Spring and the warmer weather. Unfortunately, as the weather improves we start to see those nasty little fleas pop up more and more. If your curious why, this is because flea larva development prefers temperatures above 18 degrees. The flea we typically see is called *Ctenocephalides felis*, but don't let the name trick you, it is found both on the cat and dog. Given their rate of reproduction, flea burdens can grow incredibly rapidly with a single female laying up to 50 eggs each day. This is the reason flea infestations can quickly go from bad to worse. What follows is some information about fleas, how you can identify them and what you can do about them.

Fleas infest the host by jumping onto them from the environment. Contrary to what most people think they don't tend to leave one host from another, meaning flea free animals don't typically get them from contacting infested animals but rather from infested environments. They cause irritation to the skin by biting and consuming a blood meal. Normally the worse the infestation the worse the skin irritation, but in patients who have a flea bite allergy they can develop severe reactions to minimal burdens. Additionally, most people aren't aware that fleas are the intermediate host for tapeworm and serve as a carrier for infectious organisms such as mycoplasma. These are just added reasons why flea prevention is an important consideration.

So how do you tell if your cat or dog has fleas?

Well it's not always easy to see them, especially when in low numbers. They move away from light quickly and can be hard to find. If you can't find adult fleas then look for 'flea dirt'. Flea dirt is flea poo and is deep brown 1-2mm long and normally sitting on the skin. When soaked in wet paper towel or cotton wool the flea poo leaves a red streak confirming blood presence and ensures it's not just actual dirt.

Some dogs and cats don't show many signs, especially when they have low numbers. Others will scratch or bite nonstop and can have red irritated skin with raised red bumps called papules. Although lesions are typically on the back half of the body, they can actually be anywhere. Severe burdens can even cause lethargy and blood loss anaemia causing pale mucous membranes. This is a very serious issue in small puppies and kittens and makes them severely ill.

The good news is that fleas can be treated and prevented.

However, because the environment is a major factor for flea infestations the environment also needs to be treated. Washing your pets bedding thoroughly, vacuuming and regular garden maintenance if they are outdoors – such as removing leaves and brush and regular mowing of the lawn can also help. We find that flea collars and powders are not an effective treatment and either oral or topical applications specifically treating fleas are the best. Topicals are a great option when you can't give your pet oral medications. You ideally want to kill the adult fleas with an adulticide but also prevent reproduction with an insect growth regulator, so you break the cycle. Most of the products available treat for a month and are very effective and safe. Those pets that have severe reactions may need additional treatment during the initial management phase.

If you need some help or are unsure about which product best suits you then please come and have a chat to the team. I hope everyone can enjoy a flea free happy summer.

Nairne Bremer United Women's Football Team

DIG DEEP to help the Homeless

Some of our ladies decided to donate \$20 each towards care packages for the homeless, which were donated to the Lutheran Community Care through the Longriders Motorcycle Club.

We raised enough to make up eight packages for men and women. They each had thermal socks, beanies, toothpaste, toothbrushes, blankets, bandaids, wet wipes, and ladies hygienic products.

We were hoping other clubs might get inspired to help out, as the stereotypical homeless person no longer exists. A majority of homeless are victims of domestic violence with their children, and a lot of elderly people. As rent prices soar and pensions don't, there are more on the streets than ever. If people would like to get on board with donations, female hygiene products are an item that are desperately needed, as well as thermal socks, blankets, etc.

Mt Barker Care and Share take donations all year round. We hope to make an annual donation to a charity. We love to help out people in need.

Also, if you would like to come out and join our great club, please come along to one of our Come and Try days that will be held towards the end of the year. Posters and advertising will be put up around the town closer to the time, so hopefully any budding female footballers out in the community will come out and have a go

Interest in women's footy continues to grow. The Nairne Bremer United Football Club has been incredibly proud to be part of South Australia's Women's Football League competition amongst sixty-two other teams who are split across nine divisions. The club has also welcomed a number of talented junior girls who have integrated into our junior teams as part of the HFL Division 2 competition.

The Ewes open women's team was formed in 2017. Whilst the 2018 team has retained many of the original players, we have been excited by the number of new players to the club and game. Throughout the year we have seen a steady improvement in both skills and game play, with four wins and a draw on the board, and the team pushing for finals contention. The team prides itself on being inclusive regardless of skill level and making the season a highly enjoyable one both on and off the field.

Over the next three years we are hoping to grow our womens and girls teams and welcome players of all ages and skill level. We encourage any who are interested in seeing what women's football

about the Nairne and District Residents' Association

The Nairne and District Residents' Association (NDRA) is a group of volunteer people interested in the social, cultural and economic development of Nairne.

We work with the Mount Barker District Council, the Government, our elected representatives and other stakeholders to represent and advocate the views of the community on matters that affect our prosperity and lifestyle. We believe that collaboration and advocacy are the keys to good outcomes for all parties. We exist to hold Council, Government and other stakeholders to account on their commitment to Nairne, but we aim to do this in a culture of respect, rather than one that is adversarial and confrontational.

Our recent work saw the successful passage of the Nairne & Environs Development Plan Amendment (DPA), which defines the key blueprint for the future of the area and the Main Street redevelopment, which when complete at the end of 2021 will completely transform our town centre.

Four times a year, at the start of each season, we publish Nairne News, which is a significant community newsletter that includes reports, news and advertising relevant to the local community. Nairne News is compiled by volunteers and funded by advertising and a small cover charge. Copies are available from most Main Street businesses, selected locations in the district and by email.

We also run events such as a Family Film Night, Carols by the Lake and Nairne History Festival. We promote heritage and culture by supporting the Nairne heritage trail, the interpretive plaques and the Nairne Museum. Our website nairne.org.au has comprehensive information about our history and access to various resources and contacts to assist and support the community.

The NDRA Facebook Page provides authoritative, factual and accurate information about what is happening in the community within the context of our objectives. Similarly, we are committed to quickly responding to questions and other enquiries so that we can empower residents and prevent the dissemination of misinformation.

The NDRA is a volunteer run organisation and our funding is derived entirely from membership fees. We meet at 7pm on the third Wednesday of each month (except December) in the Uniting Church Hall, Allargue Street, Nairne. Each meeting starts with a guest speaker, or a forum with local Councillors. We always aim to conclude our meetings around 9pm. All members of the community are welcome.

The NDRA meets on the third Wednesday of every month at 7pm in the Nairne Uniting Church Hall, Allargue Street. The President for 2017/18 is Mark Clemow and the Secretary is Annette Gladigau. You can contact them via the NDRA Facebook Page, or by email ndra@live.com.au

RECEIVE NAIRNE NEWS BY EMAIL

If you prefer to receive your Nairne News by email, before it appears in the shops, then take out an annual subscription for just \$5 for four editions.

Mobile Screening Unit

Caring for women from ocean to outback

Call 13 20 50

The BreastScreen SA Mobile Screening Unit is visiting

Mount Barker, from late July to mid-December 2018

We're inviting all women aged 50 to 74 years to come along and see us for their two-yearly screening mammogram (breast X-ray).

- > It's **FREE**
- > It's quick – it only takes 15 minutes
- > You can make a booking with a friend, family member or group
- > It's the best way of detecting breast cancer early (before symptoms start to show), giving you a greater chance of successful treatment

Call us on **13 20 50** to make your appointment or to find out more.

You'll find us:
in the car park at
Summit Health Care
85 Wellington Road, Mount Barker

Free Breast Cancer Screening in Mount Barker

BreastScreen SA's mobile screening unit is visiting Mount Barker to provide free breast cancer screening (breast X-rays) for more than 3,100 local women.

Screening appointments will commence in late July and will continue until mid-December 2018, with the mobile screening unit located in the car park at Summit Health Care, 85 Wellington Road, Mount Barker.

BreastScreen SA Promotions and Education Manager, Karen Woodcock, said the two biggest risk factors for breast cancer are being a woman and being over 50. "Further, nine out of 10 women who get breast cancer have no family history of this disease," Ms Woodcock said.

"While breast cancer cannot be prevented, the best way to detect it early is by having a screening mammogram every two years. Screening mammograms can detect most breast cancers, including some too small to be felt."

The earlier a breast cancer is found, the more chance a woman has of successful treatment.

"At BreastScreen SA, each woman's X-rays are read by two, independent radiologists and the results are posted within 14 days," Ms Woodcock said.

"Most women are then reassured that their mammogram shows no evidence of breast cancer."

"One breast screen is not enough to last a lifetime. It takes just 10 minutes, and it could save your life," said Ms Woodcock.

"If you're a woman aged 50 to 74, have a breast screen every two years on the mobile screening unit while it's visiting Mount Barker."

Appointments can be made by calling BreastScreen SA on 13 20 50, or women can visit the website at www.breastscreensa.sa.gov.au to find out more about breast cancer screening.

Time Capsule

by Deborah McKay

Over the last few months there have been many great things happening in and around Nairne. One such event was the Nairne History month which gave me the opportunity to research into the Nairne School's history.

From compiling old photos and finding an old school sports trophy, a chance discovery at the Nairne museum referenced a time capsule being placed in the school roof at the end of the Centenary celebrations in 1976. After asking many people whether they knew anything about the time capsule a call was sent out during the History Weekend. Some did have a vague memory of it, what proved even more elusive was whether the time capsule had even been found and reopened.

Having confirmed there was a time capsule it turns out there was a second one buried in 2000. According to an article in the Courier the 1976 time capsule was a "decorated tin" and "contained a selection of students' work from that era".

Governing Council minutes state that it wasn't found in the roof, rather in a storage room.

The new mystery is where is the new time capsule that was buried in 2000? Some staff from that time remain at the school and have varying recollections about where it might be buried, as there is no plaque referencing where it is located. Governing Council minutes do not give any clues and there is no articles about it in the Courier. Former students who came to see the display of school memorabilia at the Soldiers Memorial Hall during the history weekend also gave varying locations around the school. Do you know where it is located? It is due to be opened in 2025.

I have also recently successfully advocated for the installation of new and additional school zone signage in Market Place. I would like to take the opportunity to thank Council for installing this in July. Please take care in and around school zones.

Mount Barker District Council – North Ward Councillor candidate.

David Leach standing for the election to be in held October 2018

Nairne, along with the small towns and countryside is a great place to live. Where else can you find a community that lives in harmony with nature and fellow citizens so close to a capital city.

This region of the Adelaide Hills has been served well by the Mount Barker District Council over the years and I seek your vote to ensure this continues by voting for me in the North Ward.

Councillors are elected to local government to represent the views of people who live in the community, make decisions about how Council gets and spends money and where the limited resources councils have are utilised.

I have lived in the Nairne district at Blakiston for the past 11 years with my artist wife Natasha, two doddery old alpacas and rescue Doberman, Daisy. I took early retirement a couple of years ago after 20 years working in operations management at several federal government agencies.

As an accountant, former broad acre farmer and small business owner I understand the pressures that people face coping in a society where our incomes are being eroded by increasing power, water and council rates costs that we have little control over. In particular I am concerned about our council rates that exceed the Consumer Price Index increase. This has to be stopped.

My first priority if elected will be to advocate for capped rates that deliver the same level of services through making council operations more efficient. It can be done, your vote matters.

I support walking/cycling trails safely connecting our towns, micro connected community solar power grids that are net minus cost and most importantly for Nairne, getting a lot more footpaths.

Please vote David Leach 1 when you get your ballot papers in the mail, I have the qualifications, life experience and time to be a caring and accessible Councillor. Thank you for considering me.

David Leach, 20 Dalebank Ct Blakiston SA 0429 515 969 davidmtbarker@outlook.com Printed by Reiid Print 1/24 Light Cres, Mt Barker SA

Centenary of Armistice of The Great War 1918 - 2018

After four years of bloody conflict, unimaginable horror and loss, Armistice at last 11am on the 11th November 1918

Everyone Sang BY SIEGFRIED SASSOON

*Everyone suddenly burst out singing;
And I was filled with such delight
As prisoned birds must find in freedom,
Winging wildly across the white
Orchards and dark-green fields; on - on - and out of sight.*

*Everyone's voice was suddenly lifted;
And beauty came like the setting sun:
My heart was shaken with tears; and horror
Drifted away ... O, but Everyone
Was a bird; and the song was wordless; the singing will never be done.*

Tentative Program

Saturday – 10 November 2018:

- 1100 hrs Light Horse members begin arriving – set up camp.
(may be a model WW1 camp display with bell tents)
- 1200-1700hrs Display at Museum by NDRA
- 1745 hrs Assemble at Cenotaph / Memorial next to CFS Station.
- 1755 hrs Catafalque Party take post.
- 1800 hrs Unveiling of new Armistice Centenary Mural.
- 1830 hrs Dinner at Nairne Hotel and other places.

Sunday – 11 November 2018:

- 1000 hrs Mount Barker Caledonian Band (if available) assemble at Cenotaph. Music of WW1.
- 1030 hrs Barossa Light Horse members march from their assembly point to the Cenotaph Memorial. Form up on parade.
- 1040 hrs Catafalque Party take post.
- 1045 hrs Remembrance Day Service – including wreath laying
Children of Nairne Primary School to read the roll call of all local WW1 Diggers killed in action.
- 1110 hrs Service of Remembrance to War Service Animals.
- 1120 hrs End of proceedings.
- 1200 hrs Lunch – Lions Club Corner Takeaway and District Hotel etc.in Main Street.
- 1200-1600hrs Museum Open

The Nairne RSL

invite you to make a note in your Diary for the 10th and 11th November for a celebration of the Centenary of the Armistice in and around the Main Street of Nairne.

Unveiling of the new Armistice Mural and Remembrance Day Services will take place.

Nairne and Surrounds Walking Group

by Lynette Sharp

Nairne and Surrounds Walking Group was started in April 2017 as a social walking group for Nairne and surrounding areas. We have enjoyed walks though Mount Barker, Hahndorf, Brukunga, Littlehampton and Nairne followed by a cuppa and chat at a local business. We are a very friendly and welcoming group of local residents that range in age from 3 years upwards.

We meet Tuesday mornings at 9:15am at Byethorne Park for a Nairne based walk or 9:30am if we are walking in a surrounding area to allow for traveling time.

L-R Lynette, Jen, Madelyn, Tahnia, Emma

We are planning to do some family walks on the Lavender & Kidman Trails during school holidays weather permitting.

If you are interested in becoming a member please join our Facebook page or email Lynette at ln.84sharp@outlook.com

NDRA Office Holders for 2018/19

At the Annual General Meeting of the Nairne & District Residents' Association on Wednesday August 15th 2018, the following members were elected to the Executive:

President:	Stephen Lucas
Vice President:	Leif Brown
Secretary:	Annette Gladigau
Treasurer:	Kerri Oakley
Executive Committee Members:	Emma Martin and Ellen Lyall

The NDRA congratulates all these office holders and thanks those who retired from serving the previous committee.

Australian Red Cross Nairne Branch

by Miriam Mitchell

Hello again and welcome to Spring! We really have to be thankful that we have got through another winter and that we were lucky enough to receive some decent rainfalls. In many other parts of Australia they have not been so lucky and are really suffering from the consequences of severe drought. Every passing week without deep, watering rains becomes another week of despair.

You can help during this tough time. Donate now and lift the morale among farming families.

Funds raised through the Australian Red Cross Disaster Relief and Recovery Appeal will be used to enable short-term financial relief arising from drought affecting rural communities. This may include supporting individual and household health and well-being by making financial support available to meet everyday household expenses as well as helping people access social, health and educational activities. The funds will be distributed to drought-affected communities working with partner agencies who support and have identified at-risk individuals and families in the affected areas.

Please help our Aussie farmers and farming communities. Australian Red Cross will commit 100 per cent of every dollar donated to help farming families and communities. The Commonwealth Bank has donated \$1.75 million to kick off Australian Red Cross' Disaster Relief and Recovery Appeal.

To donate visit redcross.org.au/drought, phone 1800 REDCROSS, or donate in person at an ANZ or Commonwealth Bank branch.

the power of humanity

On another matter, an alternative way of helping the community is to donate either blood or plasma. The Red Cross mobile blood collection unit will be in Mt Barker in early October to make this easier for you. If you want to check your eligibility to donate or make an appointment please contact the Red Cross Blood Service on 131495 or online on www.donateblood.com. I encourage you to take the first step today to give the gift of life.

Your single donation could save up to three lives

I also want you to note your calendars for some future community events that we will be attending. Firstly, on the weekend of the 10th & 11th of November the RSL have organised an exciting program to unveil a new commemorative surround at the Nairne Cenotaph in Mick Murphy Park on Saturday at 6:30pm and to conduct a Remembrance Day Service there on Sunday at 11am. See you there. It is going to be a big event. Don't miss it. The Barossa Lighthorse will be in town for the weekend!

Also mark your diaries for Saturday the 8th of December. This is when the Nairne Carols night is scheduled. More details will be provided closer to the date. We will be there, as usual, serving strawberries & cream for your enjoyment and selling raffle tickets. Should be fun! What a delicious way to support a great cause.

Lastly, another reminder that you are welcome to join us for our monthly meetings on the first Wednesday of each month at the Nairne Uniting Church Hall at 1:30. Come one, come all. Though having said that we will not be meeting on Wednesday the 3rd October or 5th December so see you in September or November.

Nairne Carols

Saturday, December 8th

A vibrant, inclusive, family-friendly community event.

The Nairne Carols Committee is looking for talented performers for the 2018 event.

Do you sing or play an instrument? Can you dance, act or recite a Christmas-themed poem?

Calling all singers!

Everyone is invited to join the Nairne Carols Choir. Rehearsals will be on Sunday afternoons in November and early December. Contact Ellen at ndra@live.com or see the NDRA Facebook page for details.

If you have a talent and would like to share it with your community, please contact Ellen via ndra@live.com.au
