Leanne Osmond of Leo Photography is passionate about capturing the stunning natural environment of the Adelaide Hills. She lives in Nairne, where many of her most popular images were photographed.

Her work covers many different styles – including mist covered landscapes, close up macros of spider webs, flowers and native orchids, as well as creating unique artworks by combining her photographs together using digital enhancement techniques. These are used to create images that highlight the beauty of our natural environment and her passion for its conservation. She is also enthusiastic about capturing all other aspects that make the Adelaide Hills such a unique place, such as the Steamranger steam trains and other local attractions.

Her work has previously been on display at Howard Vineyard, Millies Bakeries, and other local cafes in Mt Barker. Her work has also been used by a number of local businesses on their websites

and in an advertising campaign for an Adelaide Hills Wine.

Most recently, she was a guest on Postcards with Keith Conlon during a feature on Mount Barker Summit, which showcased a number of her stunning misty landscape images photographed from Mount Barker Summit.

Leanne is the host of The Adelaide Hills group on Facebook and the Arts website RedBubble, where local artists can display their photography, and share information of and about the hills with locals and tourists alike.

If you would like to see more of Leanne's unique images of Nairne and the Adelaide Hills, her work can be viewed at:

ndra@live.com.au

## NAIRNE AND DISTRICTS RESIDENTS ASSOCIATION (NDRA)

*By Jenni Adams*

We exist to provide a vehicle for representing the opinions of the Nairne community (and others in the 5252 postcode area) in whichever way is pertinent at the time - the proposed Industrial Estate was one and the Art Mural Project is another exemplary NDRA initiative.

NDRA has taken on a new look with less frequent general meetings and a new and exciting format which we hope will encourage more of you out on a Wednesday evening! General meetings are on the 3rd Wednesday of the months: February, April, June, August (AGM), October and December, and everyone is welcome. Committee members meet on the alternate months. General meetings now include a speaker on subjects identified by members as of interest to them – and we still have your local councillors attending at 6.30pm to be available to answer your questions or concerns. Their generosity in giving their time in this way has enabled many local residents to address local issues directly and in an informal context. I do encourage you to make the most of this facility.

In relation to speakers, we have had some very interesting talks including Chris Jones, Administrator of the Adelaide Hills Local Exchange and Trading Scheme. He explained how neighbourhood and community caring and sharing can be achieved through this system of gaining or spending 'units' which are tallied in an account. Examples have included trading of vegetables and other items in return for units, and buying of services such as household help, dog minding and so on. Details of Adelaide Hills LETS can be found on page 15. In February we had a real treat – a wonderful Indian meal prepared by Kamal and his staff at Chingari restaurant. We enjoyed a fabulous selection of Indian dishes served and explained by

Kamal. What a feast! Many thanks to Kamal and staff for a great evening. Kamal is about to open a new restaurant! See page 7 for this exciting new Nairne enterprise. In April, Michael Sheehan from Sheehan's Hardware spoke on social history, relating to the experiences of Adelaide Hills men who were involved in the Boer War. He described his research on the effects of that war on the men themselves, their families and communities. Just recently, at the June meeting, members enjoyed a presentation by Anama Morriss on Tai Chi.

In addition to all these interesting and fun activities, we have addressed local issues as they arose, and prominent on-going items have included review of the 30 Year Plan for Greater Adelaide, discussion and comment to Local Government in relation to state-wide transport planning, and our team of water watchers has remained actively involved in testing of water quality in the area.

The mural project continues with a group of local artists coordinated by Liz Hirstle of Jonathon Adam Arts providing street art depicting historical aspects of Nairne's development. We have been grateful for all the fabulous work donated by the artists and for financial support from the District Council of Mount Barker, as well as to those volunteers who have contributed time and skills to the mounting and display of the murals, and to the local businesses who have worked with us in provision of materials.

Looking forward to seeing as many of you as possible at the next meeting at 7.30pm on 18<sup>th</sup> August at the Nairne Institute, or at 6.30pm at the same place to meet with North Ward elected members.

*The carbon cost of producing this newsletter for one year has been estimated using the calculator on [www.carbonneutral.com.au](http://www.carbonneutral.com.au), and a payment has been made to offset estimated carbon emissions.*

## Editor's Note

By Cathy Smallridge

Firstly, a big thank you to Lyssa Liebelt for her time and effort over the years to produce the Nairne News and contribute to Nairne through her volunteer involvements.

The production of this issue has been greatly assisted by our volunteer proof-reader, Joanna Parkinson, by our treasurer, Therese Okkerse, and by many members of the NDRA who have assisted with ideas and articles. We would like to thank the businesses advertising in this issue for their support (see below), and the shops providing space to help us distribute the newsletters (Millie's Bakery, Nairne Market, Corner Take-away, Liberty Service Station, Sheehan's Hardware, Nairne Post Office, Foodmart, Millers Arms Hotel and Kanmantoo General Store). We hope you like this issue and we welcome your suggestions for future editions.

### Nairne and Districts Residents Association

Please come to our AGM on Wednesday 18<sup>th</sup> August 2010:

6.30pm, talk to your local councillors about any of your concerns relating to life in Nairne

7.30pm, Leanne Osmond will present a portfolio of her spectacular Nairne photography, and speak about the local native vegetation and Council plans for an upgrade of the Mount Barker Summit.

## URBAN EXPANSION PROPOSED FOR MOUNT BARKER AND NAIRNE

### From: District Council of Mount Barker

The Minister for Urban Development and Planning has released for public consultation the Ministerial Mount Barker Urban Growth Development Plan Amendment (DPA). This DPA will amend the Mount Barker (DC) Development Plan by rezoning approximately 1300 hectares of rural land for residential and industrial use.

The Minister's DPA proposes creating a Residential Neighbourhood Zone for Mount Barker, a Light Industry Zone off Wellington Road towards Wistow and a Medium Density Residential Area south of Nairne.

Mount Barker District Council believes that should growth in the District proceed, then it should be sustainable, well managed, self-sufficient and well designed. Any new development should also be provided with the essential physical and social infrastructure to support the new community.

With this urban expansion Council has initial concerns relating to:

**Funding and provision of essential infrastructure** – in particular a new freeway interchange, wastewater management, as well as social and recreation facilities.

**Sustainable community planning** – housing and an overall development that is sympathetic to our unique environment and landscape, together with the provision and coordination of services for community wellbeing.

**Economic** – employment opportunities for the additional residents that are located appropriate to the new development and integrate with the District's local economy.

### How to Have Your Say!

Public Consultation on the Ministerial DPA has started and submissions need to be received by **4 August 2010**.

Submissions should be addressed to The Presiding Member, Development Policy Advisory Committee, GPO Box 1815, Adelaide SA 5001 or Email: [dpac@sa.gov.au](mailto:dpac@sa.gov.au)

This is a Ministerial DPA and Council will be making a submission on the contents of the DPA, however it is also critical for community members and organisations to provide their own thoughts to the Minister. Your submission may well help in shaping the future of our District.

Visit Council's website at [www.dcmtbarker.sa.gov.au](http://www.dcmtbarker.sa.gov.au), and click on the Township Expansion Button. Council intends to use its website as a central point for sharing information with the community regarding the Ministerial DPA. The process adopted by the Minister indicates that there will not be any community information sessions held by his Department or staff.

Council however, will be holding information sessions to ensure the community are well informed and empowered to respond to this DPA. The following community information sessions will be held:

- **10 to 11.30am Tuesday 6 July** at Mount Barker Bowling Club, 29 Mann Street, Mount Barker
- **7.30 to 9pm Thursday 8 July** at Mount Barker Bowling Club, 29 Mann Street, Mount Barker
- **1 to 2.30pm Saturday 10 July** at Council's Community Library, 5 Dumas Street, Mount Barker

Available from Council's website, Civic Centre at 6 Dutton Road, Mount Barker and the Community Library at 5 Dumas Street, Mount Barker are:

- A **copy of the Minister's DPA** and information sheet (as provided by the Minister),
- A **map of the area** to be rezoned,
- A **submission form** to be used should you wish to make a representation,
- Council's information sheets on its critical issues and concerns.

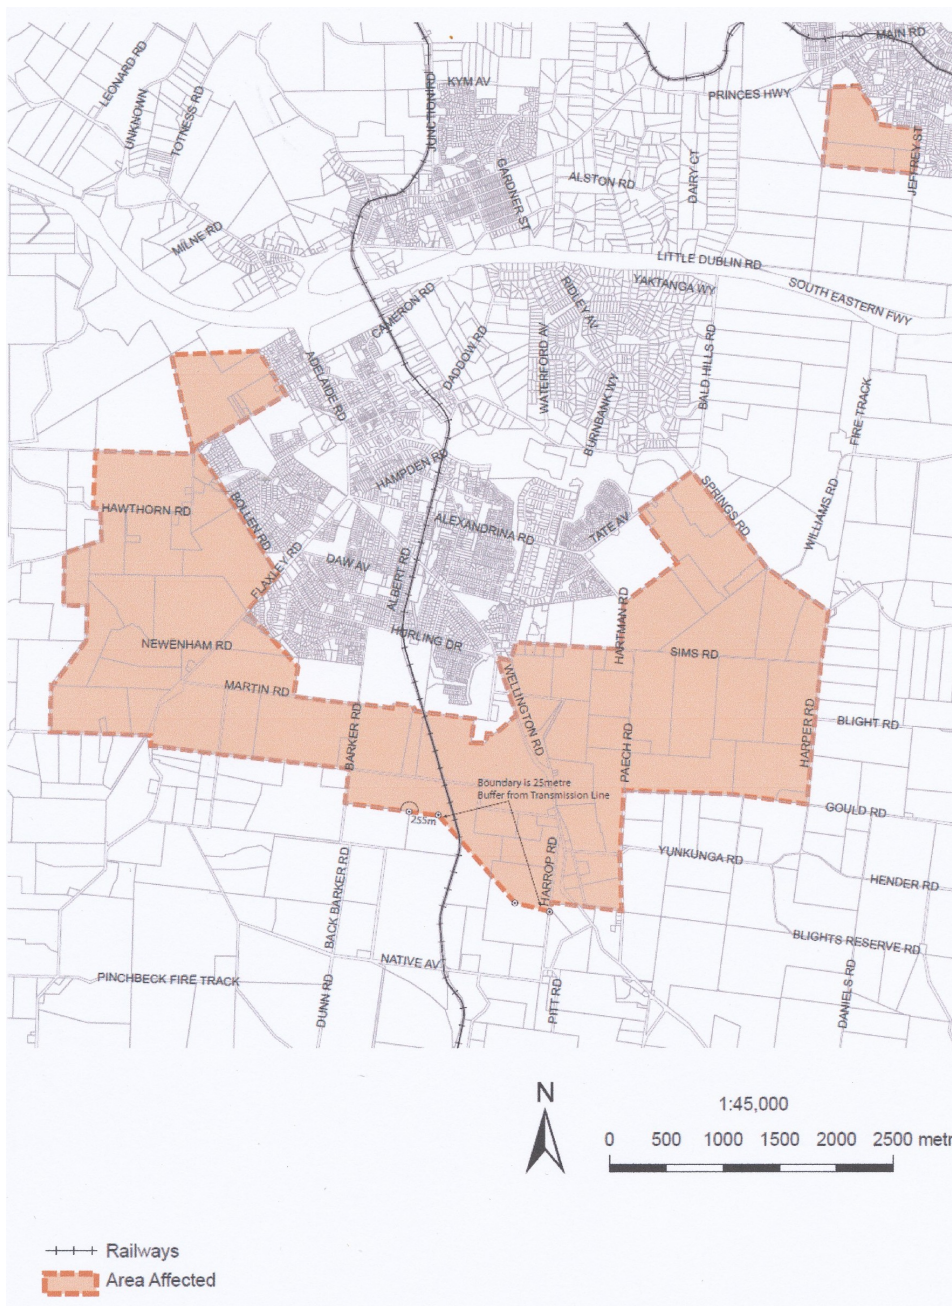

# Mount Barker Urban Growth Development Plan Amendment

**From: Department of Planning and Local Government June 2010**

Adelaide's population is growing. To accommodate this growth *The 30 Year Plan for Greater Adelaide* (the Plan) has identified land at Mount Barker and Nairne as part of Adelaide's urban land supply for the next 15 years.

The State Government is now proposing to rezone this land for urban development to support the objectives of The Plan to deliver on a 15-year land supply. This rezoning process will enable the orderly and economic establishment of new growth areas at Mount Barker and Nairne that could support the development of at least **7000 new dwellings** across some **1310 hectares of land**. The majority of this land (about 1265 hectares) is being rezoned adjacent to Mount Barker. This land will support a range of housing types, but also envisages the development of a wide range of supporting community services and facilities as well as retail, commercial and industrial development. A portion of this land (over 40 ha) is proposed to be included into the existing Light Industry Zone to ensure a range of jobs are available to new residents consistent with opportunities available to existing residents within established urban areas. The remaining 45 hectares of land is proposed to be rezoned at Nairne for residential purposes. This land is also expected to accommodate a mix of dwellings (see map).

The proposed changes are contained in a Development Plan Amendment (DPA) document, which has been released by the Minister for Urban Development and Planning (the Minister) for eight weeks of public consultation. See page 4 for information on how to make your submission.

## Public consultation meeting

Following the close of written submissions, a public consultation meeting at which submitters can present verbally is scheduled. For this DPA, the public meeting is scheduled to be held on: Tuesday 31 August 2010 at 7:00pm in Cinema 3, Wallis Cinemas, 17 Adelaide Road, Mount Barker SA 5251. Important note: the public meeting may not be held if no submissions are received, or if no-one requests to be heard by the Committee – please check the Department of Planning and Local Government website before the scheduled date of the meeting to find out whether it is being held. If you wish to make a verbal submission you must state this in your written submission.

## A fine new restaurant opening in Nairne

For the last 6 years, the town of Nairne has enjoyed being the home of the wonderful “**Chingari Restaurant**”. Anyone having dined there knows of the great delicacies on offer, inviting their return time and time again. But Chingari Restaurant is only the tip of the iceberg for world-renowned fine-dining chef **Kamal Verma**. With his new restaurant “**Zigi Zaga**” opening soon, you can forget trekking across Europe for some of the finest European foods, because exquisite fine-dining is Kamal’s speciality. And very soon you will be able to boast of it being in your home town!

### *Did you know?*

*Kamal has experience from restaurants in the Sheraton in New Delhi and the Hilton in Dubai, and was former executive chef at the Hyatt Regency.*

A table in the main dining area of Zigi Zaga.

Enjoy a comfy Indian curry on  
a cold winter’s day.

### Nairne Bremer News

By Michael Pfeiffer.

The club is going very well, with all teams except the A's in the top three which is one of our objectives this year.

The A's should have one more game, but now have a challenge on their hands to make the finals. They are good enough, but need to play a consistent four-quarter game and keep their intensity on the ball carrier up, to complement their fast attacking style of game. This is a very young team that has shown a lot of positives for a successful future.

The B's are firing with some old heads (sorry Jolls, Strouty and Jaenschky) showing the way. A great effort by father and son Shane and Danny Strout, who both played in the winning team. Both kicked goals and both were among the best players.

Gav Foster has some very talented Senior Colts with Nick Roenfeldt, Ben Carman and Tyrone Colmer playing great footy. In the juniors, the Molloy brothers are really having a dip, while Matt Adcock's under 13's are having a dip with Shannon Howie and Connor Lynn picking up plenty of kicks.

Social notes: Thank you to coordinator extraordinaire Chucky for the great ladies day recently... Dates for the Diary: Player review 10th July, Roast and Red with auction 31<sup>st</sup> July.

Congratulations to the three lads who made the SAPSSASA side Brad Strout, Ben Gregory and Micah Rupcic. Brad made the state squad. Well done.

Reminders: Billy K is after footy tipping monies. Helen Carman at the Nairne Market needs volunteers; can anyone help out for a few hours each week?

Thanks to our sponsors once again. Pak-Rite and Nairne Market as majors. New sponsors in 2010 are Jamie Briggs MP, Bosetti Blinds, Shutters and Awnings (Craig Sinclair). The Nairne pubs (District and the Millers Arms) are also helping the club this year. Barker Boy Processing are long time sponsors and the place to get your cut vegies for that next function. For real estate, you can see Mike Pfeiffer at Raine & Horne or Owen Phelan at Ray White.

The club is open for dinner and drinks from 6pm every Thursday. Numbers have been good and the schnitzels are the best value in town. Kids meals available for \$2.

We're at the halfway mark of the season and it's great to see three teams up in the five and the A's still a chance to get there. Fire up rams for the finals.

Major Sponsors

## Nairne Netball

Our club nominated 18 teams in the Woodside netball competition this year - 10 Junior and 8 Senior teams. Whilst most teams have had a slow start to the season, they are now settling in and starting to challenge the opposition. We have already had a couple of very wet and windy Saturdays, so

we know winter is here and so is netball!

So many people have been working tirelessly since February to help make our club what it is. Without these volunteers the club could not support all of these teams. A huge thank you goes out to all of these people.

Without sponsors, our club could not survive. The following is a list of the individuals and businesses that are supporting us this season. THANK YOU to you all.

## Sing Out! with Ink Pot Arts

By Jo-anne Sarre

If you happen to pass by the Mt Barker Town Hall on Saturday morning, you might hear some sweet tones wafting through the air ... this is Ink Pot Arts' children's choir led by Callie Wood, a new initiative which promises to offer many opportunities for hills' dwellers to engage in quality choral experiences.

Callie is not a new-comer to the Adelaide Hills – she grew up in Mt Barker and after a number of years training interstate and performing in NZ and Europe she is now a resident of Aldgate. As a

composer and a conductor, Callie has a keen interest in choral music. She has studied classical singing at a tertiary level, and has sung with many choirs including *Gondwana Voices National Australian Children's Choir*, *The National Youth Choir of Australia*, *Adelaide Voices* and the *Adelaide Chamber Singers*. She has a Masters degree in music composition (titled 'Composing for a Choral Spectrum') and has conducted both adult choirs and children's choirs including three training choirs of the *Sydney Children's Choir*. Callie is currently

studying for a PhD in composition at the Elder Conservatorium of Music in Adelaide.

**Ink Pot's Children's Choir is welcoming new members in Term Three.** Our community arts organisation has classes in drama, circus and singing as well as producing performance projects and festivals. For more information/bookings phone 8388 0353 or email [quill@inkpot.com.au](mailto:quill@inkpot.com.au)

## Health and Vitality

### Taoist Tai Chi taught in Nairne

*By Anama Morriss*

Taoist Tai Chi is a series of gentle, graceful movements that stretch and strengthen the body, improving flexibility and balance while cultivating a quiet mind. This ancient art makes you supple and strong in body and mind. It can help with a wide range of health conditions, e.g. back problems, circulatory and digestive problems, migraine.

The Taoist Tai Chi form, which integrates the internal Taoist arts of health, was developed by a master – Master Moy Lin- Shin, who moved to Canada from China and Hong Kong in the 1970s and is now being taught in Nairne and Mt Barker, as well as Adelaide and Prospect.

Master Moy founded the Taoist Tai Chi Society, a volunteer and not for profit organisation, to make people aware of tai chi and enable them to share its health giving benefits. The Society, which is celebrating its 40<sup>th</sup> birthday internationally and 10<sup>th</sup> anniversary in South Australia, also encourages cultural exchange and raises funds to help others.

New Beginner classes will start in the Nairne Primary School and the Uniting Church Hall in Mt Barker in August (see below for details).

# Health and Vitality

## Return of Relay for Life

By Kimberley Vanstone

Following the success of the 2009 Relay for Life, the event will be returning to Mt. Barker for the Adelaide Hills community in November 2010.

Last year, 15 teams participated in the 19 hour relay and raised almost \$40,000. Teams camped out over the Saturday night and were able to become creative with their campsites by decorating them with props to promote their team and team theme.

With teams returning from last year, now is the time to register your own. Alison Warner, team leader of the "Desperate Housewives", is returning with her long time friends and family, including her mother and sister, both being cancer survivors.

"The event is only 19 hours long and in the end, we walk away having done our part. However people with cancer can't just walk away from it".

By forming a team of 10-15 people, relayers can make a difference by raising money to go towards valuable cancer research, patient support and awareness education. As soon as a team has been formed, fundraising takes place in the lead up to the event.

"We hold a breakfast, or a movie night and we have support from everyone we know. It's really easy to do and we're Mums, we work, but it feels good doing it" says Alison.

The Adelaide Hills Relay for Life will be held on November 13/14 at the Mt. Barker Oval. All members of the community and fellow supporters are welcome to be part of the celebration of life and tribute to people living with cancer. In a fun and carnival like atmosphere, the event holds a survivors walk and also a candlelight vigil in memory of those who have been lost to this disease.

To register a team or find out more about the event, contact The Cancer Council SA on 8291 4111 or visit their website [www.relayforlife.org.au](http://www.relayforlife.org.au).

*"The event is only 19 hours long and in the end, we walk away having done our part. However people with cancer can't just walk away from it".*

- Yearly gutter clean and small repair
- Small plumbing and minor carpentry work
- Changing light bulbs
- Checking smoke detectors

### Home Security

Free Home Safety and Security Assessment/Advice through the South Australian Police Crime Reduction Section.

## VIEW celebrates 50 years

*By Pamela Pullin*

VIEW stands for the Voice Interests and Education Of Women and this year celebrates 50 years of its formation. It is a non-religious and non-political organisation.

The Club welcomes women of any age to attend and meet some great people. Visitors are welcome to attend up to three meetings before joining to make sure they enjoy the company. We support disadvantaged children with their education and currently sponsor three students.

We do this with minimal fundraising, - a raffle at the meeting and a trading table. This month's trading table is about baking - either baked goods or something to do with baking. Even wooden spoons or unwanted baking dishes!

The next Adelaide Hills VIEW meeting is to be held on 7th July at 10am at the Mt Barker Golf Club. This month's guest speaker is Teresa McDowell who makes skin care products at Hemp Hemp Hooray. She will give some demonstrations and bring samples. An optional, inexpensive lunch is available after the meeting.

## Adelaide Hills Womens Network

*What's it about?*

We get together for networking, dinner, inspirational guest speakers and just a night out with the girls. We offer each other moral support, a business and social network, inspiration, idea-sharing and friendship.

The next AHWN Dinner is being held on Monday 26th July from 6.30pm, venue and further details to be announced. We have also set aside Monday 20th September & Monday 29th November for future dinners, so please mark these dates in your diary.

Contact Francine Traeger, Ph 0439 763 170, email — [enquiries@ahwn.asn.au](mailto:enquiries@ahwn.asn.au) The website [www.ahwn.asn.au](http://www.ahwn.asn.au) is constantly evolving so please visit regularly to check it out.

### RSL - Nairne

We meet in the Nairne Soldiers Memorial Hall on the second Tuesday of the month at 7.30pm. Contacts are Tony, President on 8388 0980, Vice President, Alan on 8388 0938 and Secretary, Dennis on 8538 5067

# Community Life

## Local produce comes to town

*By Simon Martin*

A new social enterprise has started connecting people with local growers, who provide seasonal predominantly organic, SA grown produce. The group, Food Connect Adelaide, provides boxes of fruit and vegetables to subscribers who collect their boxes on a weekly basis from local collection points, the City Cousins. This process was first developed by Robert Pekin in Brisbane, and has recently been enthusiastically embraced by groups in other capital cities.

The Food Connect Adelaide group currently has 16 City Cousins, including one at Nairne. They provide a choice of three box sizes and there are future plans to have fruit and vegetables boxed separately, and to include other locally produced grocery items. More information on this initiative can be obtained by visiting the website: [www.foodconnectadelaide.com.au](http://www.foodconnectadelaide.com.au) or by phoning 8268 7776.

## Adelaide Hills LETS

**LETS** (Local Exchange Trading System) is a non-profit community-based exchange system that provides the means for its users to exchange goods and services, both locally and remotely. The Adelaide Hills exchange reopened in July 2009. Members offer a wide range of services which are valued in LETS units, and direct swaps do not need to be made. For instance, a member may earn credit by doing childcare for one person and spend it later on carpentry with another member.

### Being part of LETS:

- ☺ builds community and provides a support network
- ☺ provides another stream of income
- ☺ keeps wealth where it is created
- ☺ gives access to hire equipment thereby reducing our consumption as a community
- ☺ gives local suppliers preference
- ☺ fosters self-reliance, self esteem, social justice and equality
- ☺ AND much, much more

A directory of members 'offerings' of goods & services, contact details, members transactions and statistics are recorded via the Community Exchange Website [www.community-exchange.org](http://www.community-exchange.org)

We are seeking active participants who wish to trade with other members of their communities.

**For further info call Jean Williams on 8398 2215, email [adelaidehills@yahoo.com.au](mailto:adelaidehills@yahoo.com.au) or join now for free: <http://www.ces.org.za/docs/join.asp?country=AU>**

## Community Life

### Bush For Life workshops being held locally

By Tania Kearney

There are some unbelievably scenic bush sites around South Australia, abundant with gums, wattles, wrens, lizards, kangaroos and other Australian icons.

But did you know that 26 plant, 23 mammal and two bird species have become extinct in South Australia with 1000 more on the endangered list?

*This is where Trees For Life's bush management program Bush For Life steps in.*

*Bush For Life volunteers work regularly to preserve bushland and protect it from weeds that choke out native plants and destroy the habitat of our native animals.*

Bush For Life is at the forefront of on-ground action to try and halt the decline of our unique bushland. It empowers any able bodied person to make a significant contribution to the recovery of our bushland.

You don't need to be an ecologist or have a university degree – just a love of the great outdoors and our Australian landscape!

**Bush For Life will be holding workshops in the following locations: Stirling on July 1 and November 5; Belair on September 18 and Mt Barker on October 12.**

### Hills Community Transport is looking for volunteer drivers.

**Enjoy helping others? Want to make a difference? Enjoy driving?**

Vacancies currently exist for volunteers to join Hills Community Transport (HCT), to assist eligible clients with their transport needs, helping people to improve and maintain their quality of life.

Dedicated volunteers are required to transport the frail, aged, disabled and other transport disadvantaged to medical appointments, shopping and social activities within the Adelaide Metro and Adelaide Hills Region. Vehicles are provided, and HCT can offer flexible working days (week days only).

A current drivers licence is required, along with a commitment to undertake the Volunteer Driver Accreditation Program. The costs of accreditation will be paid by HCT. The ability to interact with people from all walks of life and offer empathy, understanding and patience are important to this role.

Contact Marisa on 8391 7234 for further information.

## Nairne Primary School receives major upgrade

By Leesa Shepherd

Principal, Nairne Primary School

Late last year, the Nairne Primary School was successful in obtaining funds from the State Government for a major re-structure and expansion. A new Child Parent Centre (CPC) will be built alongside the old one, to allow the CPC to continue operating until the new facility is ready. The Resource Centre is to be re-located and refurbished to provide a fantastic library and computing area. Parking, landscaping and playground areas will also receive attention. In addition, Federal Government funding was also received through the "Building the Education Revolution" program for a new Junior Primary section of the school. This will house seven classrooms, meeting and withdrawal rooms, toilets and undercover learning areas – all purpose built for younger children.

*"Construction is going well, and we can see it will look wonderful!"*

The Advertiser

16/ 11/ 1903

**NAIRNE.**

November 13.-This morning Master Cecil Howard, son of Mr. A. W. Howard, Blakiston, when on his way to school at **Nairne**, tried to get up into one of the dairymen's carts and get a ride. The horse was going at a good pace, and the boy fell and was run over. Although receiving some cuts, bruises, and a severe shaking, he was not seriously injured, but he had nevertheless a narrow escape!

## Community Life

ENJOY...

Getting out and meeting others?  
Going for drives and outings?

This may be the volunteer  
program for you...

The purpose of the social options program is to assist HACC eligible residents of the District Council of Mount Barker to reconnect and link with their local community and other communities of interest.

Volunteers may assist with the following choices.

**Friendly Visiting:** visiting isolated residents in their homes or take them out into their local community.

**Barker Blokes:** attending with men on social group outings including driving and assistance where required.

**Club Links:** support clients to integrate into local groups and clubs.

For more information, please contact  
Lorraine Roberts, Home and Community Care Coordinator  
at the District Council of Mount Barker on 8391 7234

Thursday 5th August, 9.30 am - 12.30 pm
- *Communicating for Best Results*  
Friday 6th August, 9.30 am - 12.30 pm
- *Introduction to Volunteer Management*  
Wednesday 11th August, 9.30 am - 12.30 pm

### ***National Standards for Volunteer Involving Organisations*** ***(Fee for Service workshop)***

The National Standards provide the only existing framework for best practice volunteer management.

This is a two day practical, hands on, interactive workshop that covers each of the National Standards and how they can be successfully integrated within your organisation's volunteer management program.

Implementation of these Standards in your organisation will lead to happier volunteers, improved retention, better services for clients, and increased credibility for your organisation as well as many other benefits.

The NS training has consistently generated excitement, passion and commitment. You'll love its practicality and working with your peers in a network of like minded leaders.

#### **Price for 2 day workshop (includes materials and lunch)**

**\$335.00 Non-Members (incl. GST)**

**\$235.00 Members price (incl. GST)**

**Thursday 15th & Friday 16th July,**

**9.30 am - 4 pm**

**VSA&NT - Adelaide**

**Further information - phone 8221 7177  
or email [training@volunteeringsa-nt.org.au](mailto:training@volunteeringsa-nt.org.au)**

### NAIRNE SOLDIERS MEMORIAL HALL Inc.

A.G.M.

Tuesday 3<sup>rd</sup> August 2010 7.30pm

\*\*\*\*\*

### AGENDA

#### Election of Officers and committee of management

\*\*\*\*\*

The beginnings of this hall were built by, and known as, the ODDFELLOWS HALL. In 1921, at a well attended public meeting, the trustees of the Oddfellows Hall explained to the already established NAIRNE SOLDIERS MEMORIAL FUND, the terms under which the hall could be purchased.

From that time forward the hall has been owned by the NAIRNE COMMUNITY and managed by a committee of management.

Over the years many activities have taken place in the hall including dancing, sports, athletics, silent cinema, weddings, church meetings, etc.

A number of alterations and additions have been made to the building over the years, the most recent being the old RSL club room converted into a very modern toilet block, with the majority of the money for this donated by the NAIRNE MARKET.

New members are urgently needed on the committee of management, which meets bi-monthly in the supper room. Please consider nominating either yourself or another resident of Nairne, thus keeping the control of the use of this lovely building locally. It is your hall, come along on Tuesday 3<sup>rd</sup> August willing to offer your services.

MEMBERSHIP \$2.00 per annum

enquiries 8388 0049

## Upmarket at the Market

By Althea Miegel

Keep an eye on the staff of the Nairne Market in the next few weeks as they begin to wear their new uniforms. Management recognises that this has caused some concern to some volunteer staff members. They are, however, acting on advice given at a recent meeting with a member of SAPOL about all aspects of safety and care for both staff and customers. Staff will be easily recognisable in their uniforms as some have always been.

Winter is proving to be a challenge both to the Nairne Market staff as well as our customers, but sales are strong and Management is grateful for the continued flow of good quality, clean and working donations coming into the store. A reminder please, that the Market is no longer able to take televisions or computer screens for resale.

Management is keen for the community to be aware that there are some vacancies for volunteers to join the staff of the Nairne Market. If you are interested and willing to offer some of your valuable time, please contact Mrs Helen Carmen at the Market between 9 and 12 Tuesday and Friday mornings.

The grounds of the Market are in the process of being spruced up by landscaper, Mr Bob Hallett, and staff are very grateful to Bob for volunteering his time to bring improvements to the Market gardens.

Market management continues to be so thankful for the support of the Nairne and district community for its support and is very happy to be able to give funds to the various community groups as needs and the funds become available.

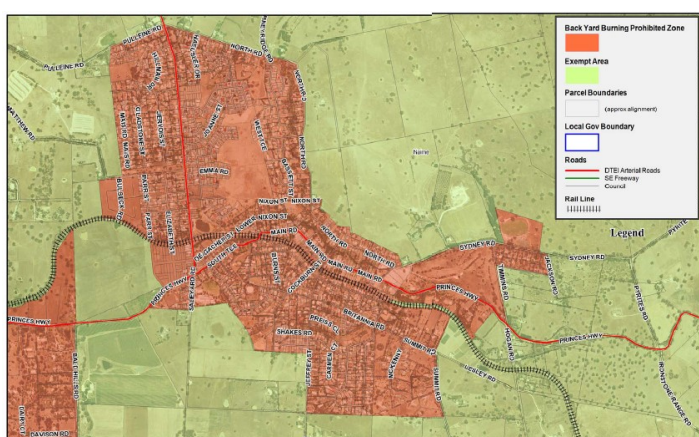

## Day-time CFS crews needed

By Lyssa Liebelt

We need committed people from our local community to become a volunteer.

Are you available to attend during daylight hours? If you are, and would like to become involved with our brigade and attend the many incidents we respond to, we REALLY WANT TO HEAR FROM YOU!! All training is provided, as is all the necessary equipment, clothing etc. If you are interested, please contact the station on a Monday night 8388 6246 or drop in on any Monday night.

The map below shows areas of Nairne that are not allowed to burn off at any time. Contact Mt Barker Council for further details.
